

Northwestern Lehigh Veterans Memorial

Design Development Progress

Ontelaunee Park Veterans Memorial concept drawing Dec 2018

December, 2018 - Original concept sketch by Bill Dellicker, brought to the Memorial Committee for consideration.

The sketch was used to begin discussion about what the memorial would look like and develop estimated costs for its construction.

January, 2020 - Professional rendering of the memorial concept by Chris Brown, Land Develop Architect, contracted as design and construction consultant in January 2020.

February, 2020 - Rendering by Brown Design showing the committee's suggestions to change the star from red to white, set the panels in a "spoked" orientation and add the American flag.

June 2021 Final design with eleven granite panels, majestic bronze eagle perched at the entrance.
